

# SOUTH HOWARD FLOOD RELIEF Notice to Residents/Businesses

MARCH 2026

As part of the **South Howard Flood Relief Project design process**, exploration work on the existing box culverts will take place to evaluate the condition and structural integrity of the aging underground pipes and utilities.

### Start Date & Hours of Operation:

The contractor will begin construction activities on Sunday, April 5, 2026, at 9 p.m. continuing through Monday, April 6, at 4 p.m. Work will continue daily between the hours of 7 a.m. and 4 p.m., Tuesday, April 7 through Friday, April 10, weather permitting.

### Location:

S. Howard Avenue, just south of W. Watrous Avenue and north of W. Marjory Avenue

Motorists, bicyclists, and pedestrians are encouraged to remain mindful of work crews, vehicles, and equipment in the area. *(Please refer to the Work Location Map for details.)*

## WHAT TO EXPECT

- Temporary southbound lane and center turn lane closures on S. Howard Avenue just south of W. Watrous Avenue and north of W. Marjory Avenue.
- A detour will be in place directing motorists around construction activities.
- Drivers may experience minor delays in traffic flow.
- Field technicians, vehicles, and equipment will be present in active exploration areas.
- Access to homes and businesses **WILL NOT** be impacted.
